

quantum theory: a very short introduction - emil kirkegaard - quantum theory: a very short introduction
john polkinghorne has produced an excellent piece of work. . . . many authors of
popular books on modern physics have the regrettable habit of writing in a way that is
global warming: a very short introduction - emil kirkegaard - very short introductions are for anyone wanting a stimulating and
accessible way in to a new subject. they are written by experts, and have been published in more than 25
languages worldwide. **education and training in developmental disabilities** - education and training in
developmental disabilities focusing on individuals with cognitive disabilities/mental retardation, autism, and
related disabilities
